DISASTER PREPAREDNESS

FIRST STEPS

- Take care of yourself.
- Take care of your loved ones.
- Protect your head, hands, and feet.
- Check for gas leaks. Shut off if necessary.
- Shut off the water at the house main valve.
- Place the OK / HELP sign in the window.
- Place your Fire Extinguisher where you can get it.
- Check on your neighbors and provide help if needed.
- GO to the Command Center.
- Join one of the search teams to establish the neighborhood needs.
- Document the results of your neighborhood search.
- Report information to the Command Center.

DO THE GREATEST GOOD FOR THE
GREATEST NUMBER
